

APPLICATION FOR ENROLLMENT IN THE THOMAS N. "NAT" CLARK STATE LIFE MEMBERSHIP PLAN

NCSSAR LIFE MEMBERSHIP FEES

Since a motion to increase State dues was passed at the NCSSAR General Meeting in April 2014, the rate for a life membership has been revised per the following chart. In order to apply you must be an active member and this application must be submitted to the State Society for recording said status.

(Note: This is strictly the North Carolina Society's Life Membership Plan. It is for those who are already enrolled or are enrolling in the National Society's Life Membership Plan as well. In order to maintain your State Life Membership, you must continue to be an active member of the National Society. If you are dropped for non-payment of National dues, you will forfeit your State Life Membership status, and no refund will be available from your investment in the NCSSAR. Due to this condition, this State Plan is not offered without NSSAR's National Life Membership Plan already in effect or a National Life Membership application is submitted along with this document. Maintaining a State Life Only Membership is not allowed.

I, _____, age _____ years, an active member of the North Carolina Society, National # _____, NC # _____, hereby apply for enrollment in the Thomas N. "Nat" Clark State Life Membership Plan. My check in the amount of \$ _____, payable to the NCSSAR is attached.
