

## Message from the President

Compatriots,

My schedule has been greatly reduced the last two months due to some health issues that have thankfully been resolved. I will not go back to the same strenuous schedule, but I will increase my activities somewhat.

So far we have not received any further monies from the grant requests, but I will continue to seek more funding for our youth programs. It is my opinion that we need to increase our scholarship checks to \$100.00 for each of the youth programs. Our high school students, for the most part, will not consider one of our contests with a first place prize of \$50.00. It's a sign of the times. I also understand that the chapter cannot afford to fund these contests without requesting additional funds from the membership, hence the grant requests. Over the past year we conducted the Knight Essay contest, the Outstanding JROTC contest and the Poster Contest. The Knight and JROTC contests also require the purchase of medals and certificates from National. The Poster contest has a locally produced certificate to accompany the check. I hope at some point in time to have an Eagle Scout enter our Eagle Scout Scholarship program. This would entail an additional check and purchases from National. Our Poster winner, Gage Tinkham, also won the State contest and will be participating in the National contest at the National Congress in Phoenix in July. It is important that we continue to work with the youth. They are not getting the instruction they need concerning our history in school. We need to step up and get the job done.

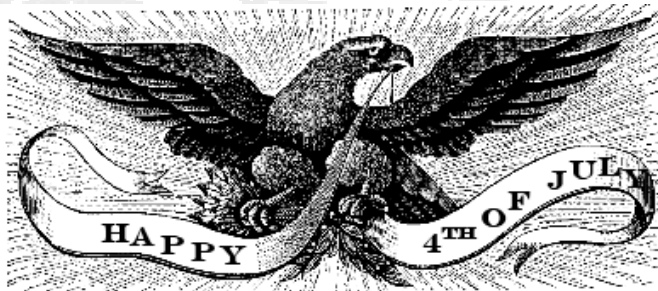

As I have stated in the past, we need to get new members in the chapter that can and will take over in the future. As VP and President of the chapter, I have done everything I can think of to get the chapter and the society out in the public view. There have been inquiries, but no one with enough interest to join. I bring this to the chapter's attention because we need someone to step in when I step down as President in November of 2013 who will continue the progress made over the last 4 ½ years. In November 2013 I will have served 2 years as VP and 4

years as President. Truthfully, I need a break. I will however continue work with the youth programs and the Flag certificates at the behest of the incoming president.

At this time I would like to again thank Compatriots Steve Avent, Rev. Duncan Jones and R. Allen Brahin for all of their help and continued support during my term of office.

*Ken Wilson*

The July meeting will be held on **Wed., July 11**, at the Halifax United Methodist Church on **152 S. King Street (Main Street) in Halifax at 6:30 pm**. Ken Wilson and Duncan Jones attended the May 20th Jeremy Staats Foundation Wall to Wall Bicycle Tour. (l) Ken and Duncan with Jeremy Staats and (r) Wesley Barrientos, who is a double amputee. They left the Vietnam Veterans Wall in Bakersfield, CA in April, planning to bicycle across the nation, ending at the Vietnam Memorial in Washington, DC on Memorial Day.

The purpose of their ride was to publicize problems veterans encounter with health, education and jobs on their return to civilian life. Wesley, the double amputee, rode his hand-pedaled bicycle just over 3300 miles before injuring his shoulder. He is currently driving one of the support trucks. Jeremy was a college teammate and close friend of Pat Tilman.

Ken Wilson and Duncan Jones attended the Rolling Thunder Flame of Freedom ceremony on May 23 at the Roanoke Valley Veterans' Museum. Two members of the Rolling Thunder veteran's motorcycle group left Bakersfield, CA, in April and carried the flame from the Vietnam Veteran's wall there to Arlington National Cemetery, stopping on the way to participate in ceremonies honoring POW/MIAs such as the one pictured above.
