May 11, 2017 Dinner Social

Warren L. Bingham “George Washington's Southern Tour”

Please make plans to join us for our May 11th dinner social as we welcome acclaimed speaker and writer Warren L. Bingham. Bingham has a commanding grasp of Southern history, culture, and lore. He will share with us his perspective on President George Washington's "Southern Tour" - the president's 1791 visit to Virginia, the Carolinas, and Georgia. His research and presentations have culminated in a book, *George Washington's 1791 Southern Tour*, released in 2016 by The History Press. In the fall 2016, Bingham and his book were featured on UNC-TV's North Carolina Bookwatch—and he lectured to a full house at Mount Vernon.
