

## North Carolina SAR Speaker's Bureau

The North Carolina Society, Sons of the American Revolution, Speaker's Bureau is available to a variety of ages and audiences: elementary, middle school, high school, and adult audiences. Our speakers are members of the Sons of the American Revolution and present interesting, fact-based talks about people, places and events of the Revolutionary War.

Since our speakers are all volunteers, we ask for no fee. Please inquire with the chapter in your city listed below. Not all chapters provide this service.
